

Proposals invited for the IE intervention of SSA, West Bengal ,

Suitable proposals are invited by the State Project Office ,Paschim Banga Sarva Shiksha Mission (PBSSM) from the experienced Non Govt. Organizations in the field of disabilities.

In the context of Right to Education Act, 2009 and that towards implementation of several inclusive education related activities under SSA, SPO, PBSSM is seeking application within 25.07.2017 from the renowned experienced non Govt. organisations having working experience and good track record for at least five years in the field of disability to utilise their expert support service to run the programme successfully for promotion of Inclusive Education of CWSN at Elementary level (class-I-VIII) across the state of West Bengal.

Area of expertise of several Non Govt. Organisations particularly and specifically on dealing children with visual impairment, hearing impairment, hearing aid repairing, ear mould fabrication, sign language training, extension of therapy support etc is expected to be tapped and utilized for the implementation of IE under SSA to extend the benefit and support service of the intervention to the children with special needs at the grassroots level.

Only those Non Govt. Organisations are eligible to apply who have :

- 1) Registration as per Indian Societies Registration Act, 1961
- 2) Working experiences at least five years in disability field.
- 3) Registration of the organization as per Persons With Disabilities Act, 1995

or

The Organization is recognized by Rehabilitation Council of India (RCI) to run RCI Approved courses.

Proposals (along with physical and financial involvement) are invited from eligible experienced organisations on following activities:

- 1) Extension of therapeutic support services to the CWSN through existing Resource Rooms / Multipurpose Resource Centres at CLRC/CRC jurisdiction as the case may be across the State.
- 2) Identification and Assessment of children with low vision not yet identified and extending corrective surgery as per need.
- 3) Extension of Micro interventional support service to the children with hearing impairment towards their mainstreaming in formal school including ear mould fabrication and minor repairing of hearing aids.
- 4) Orientation of teachers on sign language.

(Details at Annexure: 1)
